Digital Smart Tv

The Next Generation of Addsoft TV

Make: ADDSOFT

Model: ADDSOFTTV

As bright as nature, dazzling and vibrant worlds

Imagine a radiant mountain scene illuminated by brilliant sunlight. With unmatched brightness, this TV reveals every natural detail — clear and lifelike, even in daylight.

The screen becomes the speaker, uniting picture and sound in perfect harmony.

Acoustic Surface Audio turns the entire screen into a multi-channel speaker, ensuring sound flows precisely from where the action unfolds — for seamless harmony between picture and sound.

Ultra-bright, pure black. Get pictures
closer than ever to real life.
